

## Danh mục Thuốc Oregon Medicaid **CHI** dành cho các thành viên kép của CareOregon Advantage

### **Thành viên kép là gì?**

Thành viên kép nhận được cả hai bảo hiểm Medicare và Medicaid thông qua cùng một công ty bảo hiểm. Chương trình Medicare Phần D là bảo hiểm chính của quý vị và sẽ bao trả hầu hết các loại thuốc cho quý vị. Chương trình Medicaid là bảo hiểm phụ của quý vị và có thể giúp bao trả cho một số sản phẩm không được chương trình chính của quý vị chi trả.

### **Danh mục thuốc là gì?**

Một danh mục thuốc là danh sách các loại thuốc mà được chương trình bảo hiểm bao trả. Chúng tôi đã làm việc với các dược sĩ và bác sĩ để tạo lập một danh mục các loại thuốc an toàn và hiệu quả. Một số loại thuốc trong danh sách này có thể có những hạn chế hoặc cần có sự cho phép. Quý vị có thể tìm thấy một danh mục thuốc khác dành cho chương trình Medicare của mình trực tuyến tại [careoregonadvantage.org/druglist](https://careoregonadvantage.org/druglist)

### **Cách mua thuốc theo toa của quý vị**

Quý vị có thể mua thuốc theo toa tại bất kỳ nhà thuốc nào tham gia mạng lưới. Xuất trình thẻ ID thành viên của quý vị mỗi khi quý vị mua thuốc theo toa. Nhà thuốc của quý vị nên sử dụng cùng một thẻ bảo hiểm mà họ sử dụng cho các loại thuốc được Medicare bao trả cho quý vị. Tìm hiệu thuốc gần nhất của quý vị trên trang mạng [careoregonadvantage.org/members/find-a-pharmacy](https://careoregonadvantage.org/members/find-a-pharmacy)

### **Khoản đồng thanh toán của tôi sẽ là bao nhiêu?**

Các loại thuốc được Oregon Medicaid bao trả mà không có khoản đồng thanh toán. Quý vị vẫn có thể phải chịu trách nhiệm về các khoản đồng thanh toán của Medicare Phần D, và Medicaid không bao trả các khoản đồng thanh toán này. Nếu nhà thuốc của quý vị tính khoản đồng thanh toán mà có vẻ không đúng, quý vị nên gọi cho Bộ phận Dịch vụ Khách hàng CareOregon Advantage trước khi trả khoản tiền này.

## Các hạn chế đối với thuốc trong danh mục

Một số loại thuốc được bao trả có thể có những quy định đặc biệt về việc sử dụng chúng. Những quy định này có thể bao gồm:

- **Sự Cấp phép Trước** (Prior Authorization - PA): Nếu các nhà cung cấp dịch vụ muốn kê toa một loại thuốc được đánh dấu “PA” trong danh mục thuốc, họ phải gửi Mẫu đơn Yêu cầu “Cấp Phép Trước” (“Prior Authorizations”) hoặc “Mẫu đơn Yêu cầu Ngoại lệ Trong Danh mục Thuốc” (“Formulary Exception Request Form”) cho chúng tôi. Chúng tôi không thể thanh toán cho đơn thuốc theo toa trừ khi chúng tôi chấp thuận yêu cầu này.
- **Giới hạn Số lượng** (Quantity Limits - QL): Đối với các loại thuốc được đánh dấu “QL”, chúng tôi giới hạn số lượng thuốc mà chúng tôi sẽ thanh toán. Nhà cung cấp dịch vụ của quý vị có thể gửi PA cho chúng tôi nếu họ muốn kê toa với số lượng thuốc vượt quá giới hạn số lượng của chúng tôi.
- **Hạn chế về tuổi tác** (Age Restriction - AR): Đối với một số loại thuốc, chúng tôi yêu cầu quý vị phải nhỏ hơn hoặc lớn hơn một độ tuổi cụ thể. Ví dụ: một loại thuốc có thể bị hạn chế đối với những người dưới 6 tuổi hoặc trên 16 tuổi.

### Các hạn chế khác:

Tất cả các loại thuốc sẽ được giới hạn ở mức cung cấp tối đa 100 ngày cho mỗi lần mua.

H5859\_PH0101\_C
