

If you join CareOregon Advantage in 2023, you'll enjoy these new benefits at no cost to you.

Personal emergency response system

At CareOregon Advantage, your health is our priority. That's why we've partnered with Connect America (connectamerica.com) to offer you a free personal emergency response system (PERS). Also known as a medical alert system, this benefit provides emergency help 24 hours a day, seven days a week.

In-home support services

Your emotional and mental health are just as important to us as your physical health. Need a helping hand, a boardgame buddy, a ride to visit family, or someone to help with everyday tasks? We've teamed up with Papa Pals (papa.com) to offer you free in-home support services that help keep you connected to your community.
