

About your Benefits

Your new CareOregon Advantage CareCard

At CareOregon Advantage, we're proud to offer our members better benefits and more choices than other Oregon Medicare Advantage plans. As one of our members, you'll receive a Visa card pre-loaded with funds for you to spend in a variety of ways.

This **FREE** card gives you:

\$1,580 per year (\$395/quarter) to spend on eligible over-the-counter (OTC) health items and healthy foods

\$1,500 per year to spend on dental care

Up to **\$405** in rewards for completing qualifying healthy activities

How do I get my card?

Once you become a member, we will send your **CareCard** in the mail. The card comes pre-loaded with \$1,500 to spend on dental care throughout the year. \$395 for eligible OTC health items and healthy foods will be automatically loaded at the beginning of each quarter (January 1, April 1, July 1 and October 1). Any funds left on your card at the end of each quarter will expire before the next quarter's funds are loaded. Your rewards for completing qualifying healthy activities will be loaded onto your card approximately 30 days after you complete an activity.

You can create an online account or download our mobile app to make using your **CareCard** easy. You'll be able to check your balance, view eligible items for purchase and find participating retailers. Instructions for using the website and mobile app will be mailed to you with your card.
